adaptiv networks

What makes us different?

Largest patent portfolio in the SD-WAN industry
76 patents - 13 pending/allowed

QoS solution protects business-critical apps
UCaaS quality assurance over any broadband connections

Eliminate VPNs and Firewalls
Simple SASE upgrade for Real-time cloud security

Ideal SD-WAN solutions for the SME market
Single-site, multi-site, or work-from-anywhere

CLOUD-MANAGED SD-WAN & SASE

Simple and effective cloud connectivity

Smart Connectivity Solutions
A better network experience
Simple yet powerful business networks that deliver superior application experiences as a managed service.

Application Control and Visibility
Cloud-based network monitoring/reporting
All traffic is identified and prioritized to optimize application performance with advanced monitoring.

Simple, Secure SD-WAN Solutions
Easy to buy, easy to sell, easy to manage

- **Business Connect -** Single-site solution with application prioritization, seamless failover and monitoring
  LEARN MORE

- **Enterprise Connect -** All the features of Business Connect but also provides VPN access for multi-site opportunities.
  LEARN MORE

- **My Connect -** Remote/hybrid work solution with VPN capabilities.
  LEARN MORE

- **Cloud Protect -** Simple yet powerful web-filtering as a managed service.
  LEARN MORE

- **Cloud Secure -** Cloud-managed SASE option for advanced network security.
  LEARN MORE

3-minute demo of seamless fast failover

Market-leading solution ensures no dropped voice and video calls

Check out this video showing how Adaptiv Networks keeps a live TEAMS video call connected through a link outage.

Quoting Adaptiv SD-WAN is as easy as 1-2-3   LEARN MORE

1. Choose the right SD-WAN product, Business Connect OR Enterprise Connect, based on customer requirements.
2. Basic security is included, but for added security choose either Cloud Protect OR Cloud Secure.
3. Include optional add-ons such as site activation, static public IPs, My Connect remote user licenses, or LTE.

ADAPTIV BUSINESS CONNECT - SMART SD-WAN CONNECTIVITY	SD-WAN MSRP	CLOUD PROTECT	CLOUD SECURE
Business Connect 30 X 30 Mbps MRC	$80	$20	$40
Business Connect 50 X 50 Mbps MRC	$95	$24	$48
Business Connect 100 X 100 Mbps MRC	$130	$33	$66
Business Connect 200 X 200 Mbps MRC	$180	$45	$101
Business Connect 300 X 300 Mbps MRC	$220	$55	$138
Business Connect 500 X 500 Mbps MRC	$290	$73	$201
Business Connect 1 Gbps X 1 Gbps MRC	$445	$111	$333
Business Connect 2 Gbps X 2 Gbps MRC	$675	$169	$592
ADAPTIV ENTERPRISE CONNECT - PRIVATE MULTI-SITE SD-WAN			
Enterprise Connect 30 X 30 Mbps MRC	$100	$20	$40
Enterprise Connect 50 X 50 Mbps MRC	$120	$24	$48
Enterprise Connect 100 X 100 Mbps MRC	$165	$33	$66
Enterprise Connect 200 X 200 Mbps MRC	$225	$45	$101
Enterprise Connect 300 X 300 Mbps MRC	$275	$55	$138
Enterprise Connect 500 X 500 Mbps MRC	$365	$73	$201
Enterprise Connect 1 Gbps X 1 Gbps MRC	$555	$111	$333
Enterprise Connect 2 Gbps X 2 Gbps MRC	$845	$169	$592
ONE-TIME FEES			
Site Activation (per site)	$300	–	–
Shipping (per site)	$75	–	–
ADAPTIV MY CONNECT - PC-BASED SD-WAN SOFT-CLIENT			
My Connect - 10 users (minimum required for new customers)	$100	**	**
My Connect - 1 user (individual licenses for exisiting customers)	$10	**	**
