My Lists allows you to create and manage lists of items.

You can use these lists for :

- Items you re-order frequently
- Specific Jobs/projects
- Items specific to an employee or department
- Anything else you want to track in BSE items

BLOG article

FUTURE OF LIGHTING?

Organic light-emitting diodes, or OLEDs, are considered the next step in the evolution and the advancements could be a game-changer for utility businesses.

A drop down allows you to see previously created lists.

Export a list to update or adjust.

Import updated lists.

Quick paste BSE item numbers directly in to a list.

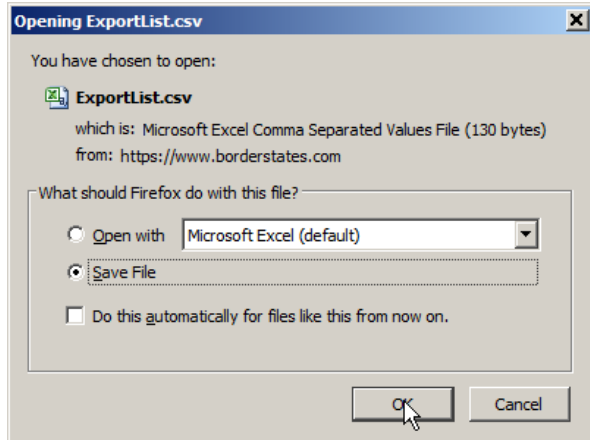

From My Lists you can also add items to your cart to purchase.

[ADD ALL ITEMS TO CART](#)

[DELETE LIST](#)

[SAVE](#)

You are able to add some or all of the items on your list to a shopping cart, as needed.

You can add to cart individually.

You can also update each item quantity, and then choose the Add All Items to Cart button – choosing a zero quantity will assure that item is not added to your cart. By viewing the cart above you can see only two items were added.
