The Merrychef **eikon[®] e1s** is one of the most compact high speed ovens on the market, designed for small businesses looking to add a hot food option to their operation or improve throughput. A single counter-top appliance, styled for front-of-house and programmed to produce high quality results for every order, with a simple touch of an icon. Ideal to rapidly cook, toast and bake a wide choice of dishes from both fresh and frozen foods.

 **High speed**

Reduces waiting time, by cooking up to 10x faster than a conventional oven.

 **Versatile**

Saves space; just one piece of equipment to cook a wide variety of food.

 **Easy to install**

No installation costs, simply plug and play via a single phase 15A plug.

 **Efficient**

Excellent return on investment with low power consumption; only uses less than 0.7 kWh on standby. Saves money when not in use.

eikon® e1s

Perfect for small spaces

A compact, stylish counter-top appliance designed to easily fit into small spaces and provide an invaluable resource for food providers. Superior functionality with ventless as standard, means that no extraction hood is needed. This together with an innovative cooling system keeping all exterior walls cool-to-touch, makes it perfect for small spaces, tight corners and for sitting directly alongside other appliances like coffee machines.

Precision Technology

The finely tuned combination of three heating technologies: convection (2200W), tuned impingement and microwave (800W) makes the heat level consistent ensuring even, high quality, repeatable results 10x faster than a conventional oven.

Press & Go

The Merrychef eikon® e1s arrives pre-programmed with menus ranging from paninis and French Fries to pies. Creating your own couldn't be simpler with the easy to follow icon based instructions, or better still the Merrychef Ready Recipe tool allows you to download a wide range of recipes straight to the oven via a USB.

The easytouch® icons allow low-skilled staff to produce professional results whilst minimising training time and overcoming any language barriers.

All cook times may vary depending on food quality and portion size.

Accessories

To get you started, every order includes the following dishwasher-compatible items:

The true versatility of the Merrychef eikon® e1s is realised through our unique Signature range of accessories that are available; from egg moulds to soup bowls.
